STRENGTHS

- Ability to fight back
- Consistent performance
- Technical feel and equipment development
- International experience in FIA and WSK

PROFILE

Kart driver from Calabria, raised in Cassino, racing since the age of five and a half. In 2026 he was selected by ACI Sport as the only Italian driver at the FIA Karting Academy Trophy Junior, finishing second in the final standings of the championship.

Fast and consistent, he stands out for his ability to fight back and for the technical feel developed in the official programmes with CRG, Kali Kart and TK, where he took part in chassis and engine development.
